

KLANTECH LMS (LEARNING MANAGEMENT SYSTEM)

Advantages of LMS

Internal Chat/SMS/Email system eradicates stationery, printing, distribution & manpower cost for notices, timetables, homework, assignments etc.

No additional cost on accounting software's & skilled manpower to use such software's. Generate income & expense report with in seconds.

Save the cost on third party payroll application. Pay salaries online, generate E-pay slips with the help of HR & Payroll Automation.

With online classes & exams enroll more students on additional courses to boost up the revenue growth

Multilanguage functionality bridges the gap between students, parents & teacher & increase the digital rating
